1. This petition has been filed impugning concurrent findings dated 15.3.2004 and 8.7.2004 alloting ration shop to respondent no.4. It is seen that both the Courts have held that as far as the premises of the present petitioner are concerned, they belonged to one Suresh Kene. Some notorised letter has been obtained. It

appears that the petitioner has no title in respect of these premises. Besides, there is a mention that premises are situated in an inconvenient area which is located at a corner. In my view, these are questions of facts and Advocate for the petitioner states that these shops are located at a convenient locality. I cannot go into these questions in my writ jurisdiction under Article 227 of the Constitution of India. Hence, petition is rejected.
